ONE ROBBER IS CAPTURED BY SHERIFF

MAN WHO DID JOB IN DELAND
CAUGHT AT TURPENTINE CAMP

YOUNG FELLOW GIVING NAME
OF ROGERS AND ATLANTA AS
HOME: WAS LANDED ON ROAD
TO DAYTONA.

Caught with the goods and later
confessing he was the man wanted,
a young man, apparently about 18
years of age, giving his name as
Rogers, was caught at the turpen-
tine camp of the DeLeon Naval
Stores company and taken back to
DeLand to answer to the charge of
having robbed the residence of J.
E. J. Marsh.

This was the robbery committed
at DeLand recently and the young
man who was suspected of having
been implicated in the burglary was
seen to leave the county seat and
start toward Daytona. He was fol-
lowed by the sheriff, who overtook
the suspect at the camp of the
DeLeon Naval Stores company, placed
him under arrest and took him
back to DeLand.

When the prisoner was searched
\$100 in cash and a gold watch, which
had been taken from the Marsh
house, were found on his person,
and, confronted by this evidence, the
young man confessed he was the one
who did the "job" at the Marsh
home.

Rogers has the appearance of being
a real "hobo," but gives
Atlanta as his home. He will prob-
ably be given a chance to plead
guilty to robbery and receive his
sentence at the session of the court
Monday. The officers do not be-
lieve Rogers is the man or one of
the gang, which has been implicated
in the robberies in Daytona this
winter.

NEW YORK BUILDING BURNS ONE MAN BURNS TO DEATH

MAN SUPPOSED TO BE WATCH-
MAN IS FOUND DEAD AND NUM-
BER OF SWEAT SHOPS ARE
GUTTED.

NEW YORK, Jan. 24—Fire swept
through the seven-story loft building
at 570 Grand street today. One man,
supposed to be the watchman, was
found dead, and a number of "sweat
shops" were gutted by the flames.
The loss amounts to \$50,000.

Fire in Portsmouth, O.—
PORTSMOUTH, O., Jan. 24—The
Masonic temple, the finest building
in the city, six stories high and
standing in the heart of the business
district, was destroyed by fire today.
The Bragdon dry goods store and
the Hill Brothers clothing store
were also destroyed with a loss of
\$175,000. The origin of the fire is
unknown.

OFFICERS TAKEN FROM MAIL STEAMER RELEASED.

ROME, Jan. 24—It was officially
announced today that all of the 29
Turkish officials forcibly taken
from the French mail steamer Man-
outa by an Italian warship, will be
turned over to the French authorities.
Investigation has shown they are all
red crescent hospital attachés of
Turkey.

FLORIDA VEGETABLES ARE HIGH THIS YEAR.

The cold has wiped out the vege-
tables of Louisiana, Texas, and
some parts of Southern California,
and in consequence Florida vegeta-
bles will command high prices. The
wet weather of Florida has injured
the celery crop to some extent, but
first shipments show good quality,
selling at \$2. Cauliflower is in the
aristocratic class and bringing grow-
ers big returns.

POLITICIANS SENT UP FOR CORRUPTION

MEN PROMINENT IN ATLANTIC
COUNTY GO TO PRISON FOLLOW-

RUPTION CHARGES.

MAYS LANDING, N. J., Jan. 24—
Five members of the Atlantic county
"republican ring" were today sen-
tenced to prison following their con-
viction on charges of political corrup-
tion. The trial has been sensational
and has attracted much attention all
over the country.

Louis Kuehnle was handed a sen-
tence of one year and a fine of
\$1,000. Geo. Amos and Thomas Mc-
Devitt were given three and six
months for conspiring to buy votes.
John Unsworth and the county en-
gineer were given eight years for
receiving graft money on road con-
tracts.

Wood of the Yorktown, died this
morning of yellow fever.

GIVE OUR SIDE A CHANCE.

In an article taken from the Chi-
cago Herald, headed "Business Men
Theorists," we notice that "The
Lion and the Mouse" is going to
make a few stops before starting a
run in San Francisco. Now why
can't we have this company stay
one night with us? They surely must
have a first class company to tem-
plate an extended run in the
western metropolis. Give us a
chance.

George C. Silbee, editor and pub-
lisher, president of the State Bank
of Avoca and postmaster of that
place, who came to Daytona for the
first time recently and is located on
Bay street, has become very much
enthusiased over the city and this
section of the country. Mr. Silbee, who
has been very much benefited by
his short sojourn here says he finds
things better than he had been led
to believe. He says he had been
told to be on his guard or the people
would do him at every turn, when
quite the contrary has been the
case and people have been very kind
and friendly and he has not found
prices not at all exorbitant for a
tourist town.

A register has been installed at
the Hankins pharmacy for Ohio peo-
ple, in order that visitors from the
Buckeye state may locate the part
of the city in which others visitors
from the same state are stopping.

TRIP OF CONGRESSMEN TO CUBA
IS ABANDONED WHEN USE OF
BATTLESHIP IS REFUSED BY
MEYER.

No definite word has been re-
ceived from Congressman Frank
Clark, who is in charge of the special
party from Washington in attendance
at the Oversea celebration at Key
West, as to what time the party will
make the return trip to Washington
and what time the party will reach
Daytona.

Congressman Clark has been
urged to arrange for the party to
make a stop of several hours in
this city on the way north and the
visitors will be entertained with an
automobile ride about the city and
dinner at the Clarendon, if the stop
here can be arranged to give time
enough for the entertainment.

The trip of the congressmen from
Key West to Havana, which was
planned before the party left Wash-
ington, has been abandoned by ac-
tion of the secretary of war in coun-
termanding the order for the use of
the battleship for the trip. It was
feared that with Cuba in the
present state of excitement the visit
of a United States battleship to
Havana at this time might be mis-
construed by the people on the is-
land.

NO HYDROPLANE FLIGHTS WILL
BE MADE FROM HALIFAX RIVER

BURGESS COMPANY & CURTISS
WILL, HOWEVER, GIVE PAS-
SENGER CARRYING FLIGHTS
FROM THE BEACH.

From present indications the peo-
ple of the city of Daytona will not be
treated to hydroplane exhibition
flights from the Halifax River, al-
though all arrangements have been
completed with Burgess Company &
Curtiss for exhibition flights from
the beach near the Hotel Clarendon
during practically the remainder of
the winter.

The proposition submitted to the
Daytona board of trade by Patrick
Grant, Jr., representing Burgess &
Curtiss for exhibition flights from
the river one day each week,
and accepted by the board of trade
at its last regular meeting, has
been withdrawn by the hydroplane
company and there will be no effort
made to give flights from the river,
according to present plans.

Regular flights will be given from
the beach during the ensuing weeks,
and the exhibition flights will be an
attraction for many Daytona people
and visitors to that vicinity. Prac-
tically all of the flights will be pas-
senger carrying flights and opportu-
nities will be offered to anyone who
wishes to accompany the aviator in
the air trips.

Since the proposition of flying ex-
hibitions as entertainment for the
winter visitors has fallen through it
is possible steps may be taken next
Monday evening to supply some
other form of amusement for the
people who come here to spend the
winter months.

TROOPS CLASH WITH STRIKERS
AROUND MILLS AT LAWRENCE

STRIKE COMMITTEE IS TODAY
CONSIDERING A COMPROMISE
PROPOSITION FROM THE
OWNERS OF MILLS.

LAWRENCE, Mass., Jan. 24—The
gleaming bayonets of the state mil-
lited the strikers about the Arth-
ington mills today, although there were
several outbreaks where strike pick-
ets tried to persuade workmen from
returning to work in the mills.

The soldiers prodded the strikers
with bayonets on their guns, but
none was injured, although at times
it appeared the troops would be com-
pelled to use more desperate means
to keep the strikers in check.

The committee representing the
strikers is today considering a com-
promise proposition from the owners
of the mills.
William Heywood, former presi-
dent of the Western Federation of
Miners, arrived here at noon to take
charge of the strike. He was met on
his arrival by 10,000 of the strikers.

The movement to settle the strike
is progressing this afternoon and the
business men are hoping for a set-
tlement.

RICHESON SAID TO BE IN A DYING CONDITION.

BOSTON, Jan. 24—According to
reports which are said to have come
from the jail, Rev. Clarence V. T.
Richeson, confessed murderer of
pretty Avis Linnell, is said to be in
a dying condition, although it is ex-
pected he will live until the date
set for his death, May 19. The
former preacher is reported to be
almost a physical wreck and on the
verge of a physical collapse. He
spends most of his time pacing up
and down his cell, but to all callers
he declares he is feeling well. One
visitor coming away from the jail
said: "It was a sad sight. Richeson
is certainly a very weak man, but I
think he will live until May."

THIRD PARTY TALK STRONGER EVERY DAY

OLD PEOPLE'S PARTY MAY BE
REVIVED FOR NEXT CAMPAIGN

POLITICAL WASHINGTON IS EX-
CITED OVER CONFERENCES BE-
TWEEN BRYAN AND INSUR-
GENT REPUBLICANS.

WASHINGTON, Jan. 24—Third
party talk fills the air at Washington
these days and the mysterious con-
ferences between Colonel William
Jennings Bryan and leading insur-
gent republicans are responsible for
gossip that harks back to the days
of the old People's party.

Col. Bryan is irreconcilable in his
opposition to Governor Judson Har-
mon of Ohio, one of the strongest
democratic candidates for the presi-
dency. Senator Robert M. La Fol-
lette is just as bitterly opposed to
President Taft. Not even the most
sanguine supporters of Harmon or
Taft can picture Bryan falling into
time behind Harmon, or La Follette
following the standard of William
Howard Taft in the event these two
men are party nominees.

There are insurgents, or progres-
sives, in both the democratic and re-
publican parties. There are conser-
vatives in each. From the progres-
sive viewpoint, Mr. Taft is not
favored as the proper candidate for
the White House. Neither is Gov-
ernor Harmon.

What is to happen if the dem-
ocrats name the Ohio governor and
the republicans again nominate Mr.
Taft? Forecasters of political events
have taken out their pencils and
figured that one of two things must
happen: the insurgents, or progres-
sives of both of the old line parties
must stay away from the polls next
November or they must vote for
some candidate who bears the in-
surgent label.

The latter, although radical, may
be settled upon as the consistent
course. Therefore the third party
talk will not down and neither the
protestations nor the silence of the
leaders—and some of them talk
while others do not—have been suf-
ficient to assure the popular be-
lief that a new party is in the for-
ming unless political events shape
themselves according to progressive
ideas.

HALL LEADING FOR GOVERNOR IN THE STATE OF LOUISIANA

RETURNS ARE STILL INCOM-
PLETE WITH BROUSSARD AND
RAMSDELL LEADING FOR THE
SENATORSHIPS.

NEW ORLEANS, Jan. 24—The re-
turns from yesterday's state pri-
maries are still incomplete but the
figures show Luther Hall to be lead-
ing in the race for governor with
Michael second and Besswell third.
Broussard leads for the long term
senator and Ramsdell leads for
the short senatorial term. The re-
turns show the race for senator to
be very close.

COBURN'S MINSTRELS AT THEATRE TONIGHT.

A splendid band and orchestra
this season, even better than he
always carried, is a feature with
Coburn's Greater Minstrels, and is
making a tremendous hit with the
daily free band concerts, using all
the latest and best popular New
York hits, rags, and lighter class of
music of this season's press. George
Brandman, cornet soloist and di-
rector has the band in charge under
Manager Coburn, while L. E. Gould
has assumed charge of the orches-
tral club, replacing Prof. Robert A.
Rea, who has led the show for the
past ten years.

"Coburn" continues to play with his
men at 3:00 concert, (under pro-
test) but out of courtesy to his
friends and patrons who daily re-
quest it. Don't forget the big show
at the New Daytona theatre to-
night and tomorrow night.

Let the Daily News job depart-
ment figure on that printing matter.

THE PALMETTO
Much interest has been aroused among the friends of E. B. Gleason of Elmira, N. Y., who is a guest at the Palmetto house, over the possibilities of his coal mine. A coal mine in Florida is out of the ordinary, but Mr. Gleason is no ordinary man, and although the exact location is not given to the public, among his friends at the Palmetto it is known, and is understood to be very near Daytona, and specimens of the coal taken from the deposit are on exhibition in the hotel office. An expert has gone over the ground and is now at work on a plan to remove the water, which covers the ground under which the greater part of the deposit lies. The men who may be known in history as the pioneer coal barons of Florida, and who will finance the business are E. B. Gleason of Elmira, N. Y., Edward C. Smith of Albany, N. Y., Francis Rodman of Concord, Mass., Geo. C. Chamberlin, owner and manager of the Palmetto house. A close company will be formed and no stock will be offered to the public. Late arrivals at the Palmetto house are Mr. and Mrs. Charles F. Miller Mr. and Mrs. John B. Mosby Mrs. Alice Mosby Boston Mass, Walter R. Noble Willard B. Noble Bangor Me.

A Legend About Cats.
The ancient Greeks thought that all creatures except cats had souls and that that animal lost its soul through a bargain made between a bridge architect and the devil. The architect had besought the devil to get help in constructing an exceedingly dangerous bridge structure, and his satanic majesty only consented to lend aid on condition that the first creature to cross it should lose its soul. This was agreed upon, the bridge finished in due time and the devil sent to the opposite side to await his prey. The shrewd architect took good care to send a cat over before any human being was allowed to cross. On learning of the bargain the cat recrossed the bridge and scratched the architect's eyes out.

An Elemental Error.
A judge was angling in the Manitowick waters and just after dinner became involved in an argument with his boat companion. The debate lasted some minutes, and during that time the judge had his baited hook dangling in the air over his shoulder.
The guide took a hand.
"Judge," said he peremptorily, "drop your line in the water. There are no dying fish around here."—Chicago Post.

A Rich One.
The Visitor—And what are you going to make of him?
Mamma—I want him to be a philanthropist.
"Why, there's no money in that."
"But all the philanthropists have been very rich."

A Reminder.
Dearborn—What have you got that string tied about your finger for? Wash—Oh, I've been getting married, and my wife doesn't want me to forget it.—Boston Herald.

In the palmy days of orange growing in this section, the blooming period was in the month of February, but the colder winters of the past 12 or 15 years has usually delayed the blooming of the trees until sometime in March. Alex. Burden, however, has a tree on his house lot on Magnolia avenue that is this season doing even better than February, as it is now full of undeveloped buds.

*WANTED—Waitress, white, also dishwasher at Lyndhurst. Second avenue. 44-2t

T. B. Lewis and family of Pasadena, who have been guests at the Parkinson since early in the season, left by steamer U. S. A. for Palm Beach Tuesday morning. They stored their automobile, a Packard, at the Oliver garage on Orange avenue, and will return here later in the season.

The first car of freight hauled into Key West over the new extension of the Florida East Coast railroad was a car of lumber, sent to the Island City by a Miami lumber company. The car was billed to the mayor of Key West with instructions to auction the lumber off and present the proceeds to the Key West charity. The freight was paid by the lumber company.

*Are you getting fine pictures with your kodak. If not, come to us, we know how and we'll tell you how. Jungle Studio.

Geo. E. Thomas, a member of the New York City tax assessor's office force, has been reported missing from St. Augustine and a search is being made for him in Daytona. Mr. Thomas has been spending a few days at a hotel in the Ancient City and his sudden disappearance was reported to the sheriff by his wife, who said that at times he has spells of forgetfulness. It is believed he is now in Daytona or some other city along the East Coast and has forgotten where he left his wife. He is described as 51 years of age, weighs about 170 pounds, with a full face and mixed grey hair. When last seen he was attired in a grey suit with black stripes and wearing a derby hat. He wore considerable jewelry and had several hundred dollars in his possession.

If These Towns

with the best of fire-fighting equipment can burn why not Daytona?

NEW YORK, Jan. 10—The fire in the Equitable Life Assurance company's building, which started yesterday morning and gutted the big granite and marble structure, is still burning today and the city firemen are working hard to subdue the flames.

Between \$1,000,000 and \$1,500,000 worth of securities are locked in the vaults of the big building and the vaults in the ruins are being strongly guarded by a cordon of police.

It is now known that seven lives have been lost in the fire and others may be in the ruins.

The Equitable officers declared today that none of the policyholders will lose a cent because of the disaster. By hard work the firemen have been able to keep the blaze from spreading to other structures in the vicinity.

Big Plant Destroyed—

EAST ST. LOUIS, Ill., Jan. 10—Three acres of buildings comprising the plant of the Commercial Acid company two miles south of this city were destroyed by fire this morning. The cause of the blaze was an explosion and the loss will amount to \$200,000.

Boston Tenement Burns—

BOSTON, Jan. 10—The four-story tenement building at No. 10 Wilbur street burned this morning. Two women and one man, all Italians, were burned to death and many were rescued from death by the forming of a human chain to a nearby building.

Many Buildings Burned—

BERKLEY SPRINGS, W. Va., Jan. 10—Two business blocks, five residences and a church were destroyed by fire here this morning. The blaze originated in a bakery and the total loss will reach \$150,000.

Bad Fire in Chicago—

CHICAGO, Jan. 10—The warehouse of the Greenway Package Manufacturing company on West Kinzie street was destroyed by fire this morning with a loss of \$100,000. In the Northland hotel, next door, 400 guests were thrown into a panic and all were driven out into the streets in the zero weather when the roof of the hotel caught fire.

PASTOR RUSSELL BIDS FAREWELL TO CHINA

Chinese Quietness and Courtesy Examples to Christendom.

The Pastor Did Not Advise Chinese to Become Identified With the Sects of Christendom—Told Them That the God of the Bible is All-Loving and Ever-Merciful and Not a God Who Would Torture Them or Their Ancestors.

HONG KONG, China, Jan. 21st.—The Foreign Missions Investigation Committee of the International Bible Students Association spent several days in Hong Kong, Canton and vicinity. For efficiency they divided, some giving more attention to one and others to another phase of missionary interest. Pastor Russell's address to the Chinese in Hong Kong in their fine City Hall Auditorium was both helpful and encouraging. He directed special attention to the words of St. Paul, applicable to humanity in general and to the present time specially to the Chinese: "The whole creation groaneth and travaileth in pain together until now—waiting for the manifestation of the sons of God"—Romans viii, 22.

China's war experiences in recent years have been severe trials, particularly to a people of their temperament—peace-loving, gentle, courteous to each other and to foreigners. He had been told that their courtesy of manner arose, not from love and sympathy, but from law and custom centuries old. He could not judge the heart, but had sincerely wished that some of the favored race of so-called Christendom possessed in a larger degree some of the admirable traits of the Chinese—their respectful demeanor, their courtesy, civility and energy.

The God of All Grace.

It shall not be my mission, said Pastor Russell, to urge you to become identified with any sects of Christendom, nor to recommend to you any of their creeds. Nevertheless, in all of those creeds there is more or less of the most wonderful truth that ever came to the ears of humanity; but, alas! in a darker period it became so mixed with human tradition as to be today dishonoring to God and offensive to the intelligence of many. I can readily see reasons why you have not been more influenced by Christianity. Very properly your heads and hearts refused adherence and worship to One whom you were told had forfeited the eternal torment of your ancestors and all mankind except a favored few.

I may never again have the opportunity of addressing you; let me, therefore, tell you now of another Christianity (of which probably you have never before heard) from the same Bible used by the missionaries here and confessed by all to be God's Message, but a very different Message from that which my brethren here confess.

"Waiting For the Sons of God."
My text declares that the relief for

PASTOR RUSSELL

groaning creation waits for the manifestation of the sons of God. Jesus, as the pre-eminent Son of God, died for our sins and ascended to the right hand of Divine Majesty, where He is waiting; and meantime the groaning creation must wait also for the sons of God. Here is a matter which seems to have been for a time hidden under the rubbish of the Dark Ages—the fact that God not only fore-ordained Jesus, the great Son of God, to be the world's Messiah to deliver them from sin and death, but that He fore-ordained also the selection of a special class from amongst mankind to be the Redeemer's associates and joint-heirs in His Kingdom.

Surely all will admit with me that no god of any people has ever manifested such a love, and interest in his creatures as has the God of the Bible—the God of Christianity. It is the Love of God which constrains us—draws us (not the threat of eternal torture, which has no foundation in the Bible). And His exceeding great and precious promises work in our hearts both to will and to do His good pleasure.

It is my understanding of the Scriptures that the time for making our "calling and election sure" to this Kingdom class is now very short. It therefore behooves all who desire this glorious relationship with Messiah to "give all diligence" and to "run with patience the race set before us" in the Gospel, looking unto Jesus, the Author of our faith.

The Non-elect Also Exhorted.

The wonderful blessings of our day, which make it so different from any other Epoch in the world's history, have reached even here to China, and what we already see appears to be only the beginnings of wonderful things. Evidently Divine Power has within the past century been lifting the veil of ignorance and superstition. We are just on the threshold of the New Dispensation. The Church (the elect sons of God) is about complete. The manifestation of the sons of God for the aid of the groaning creation is at hand, and Messiah's Kingdom is about to be ushered in. The blessings of the present are only a foretaste of those glorious blessings for the world of mankind.
